The support of local companies and individuals is an integral part of the Musgrove Cup, and I would encourage all members to consider our sponsors when looking for services locally.

Welcome to the June edition of the Musgrove Cup newsletter.

The key message to get across is how important it is for Taunton Vale members to keep getting involved over the next couple of weeks.

We have made a great start, with Sponsorship and the Club donating all Green Fees for the day, we have filled all tee times, which means we have already accumulated about £4,500!! However, we need to reach our target figure of £6,500 if we are to purchase the items requested by the COMPASS team via the League of Friends in order to help children (and their families) with life threatening and life limiting illnesses.

So, please buy a raffle ticket from the Bar, donate a prize for the Auction or Raffle, donate a sleeve of balls for the ball draw, offer to help set up and bid for an Auction item.

Florida Apartment to be auctioned

Thanks again to Mike and Marion Walsh who have been very generous in offering a week in their Florida apartment as an auction prize. There is also the chance to bid for a holiday in Keith Bigwood's Cornish Cottage and a holiday in a thatched home in Devon belonging to Steve Durston. For those that love their authentic home-cooked Indian cuisine, Barry Greenslade has offered a meal for 10 people! Or how about a week-end for 2 at the Bloomsbury Hotel, London (thanks to Simon Gough) or even a romantic, secluded meal for 2 at the Bird in Hand at North Curry (thanks to James Mogg)? Or for those that really want a thrill how about bidding for a sky high experience with a flight in a light aircraft? Make sure you bid or make a pre-bid next month when full catalogue details will be published.

Other items to be auctioned on 7th August include:

- Cut and Blow dry at Sarah Hodge

Local school helps out!

As many of you are aware, I have taught at Heathfield School since 1983. I was delighted, therefore, when the School Council offered their support to my Vice Captains year by helping to raise funds for the Musgrove Cup and the COMPASS team. As a result of a non-school uniform day before half term, they raised £280, which goes a long way to buying a projector! Thanks!

But not only are local children helping out- many members and, also, non-members have been exceptionally generous by donating sponsorship, auction prizes, tubes of golf balls and so on. Thanks to you all! But we need more! Please get ready to join in the bidding for the auction- for those that can't make it on the night, you will be able to bid by filling in a slip with your bid on it and handing it

in to the main office. Colin Warnes will then bid for you on the night-similar to a telephone bid without the telephone, I suppose! Best wishes and keep up your efforts! **Rhys**
