Anyone for the 4th and 14th?

Latest news on the Musgrove Cup 2010

Play golf – and raise money for children’s palliative care.

The Musgrove Cup Charity Golf Open Day will be held at Taunton Vale Golf Club on Saturday 7th August 2010. This is a prestigious and important event which will raise significant sums for our local hospital

The aim, quite simply, is to raise funds for the League of Friends to the Musgrove Park Hospitals in Taunton via a Charity Golf Day. Since the club opened in 1991, members and sponsors have raised nearly £70,000 to improve the lives of patients, by providing equipment identified by the medical staff as being of significant benefit to the

patient, but not available from public funds. As Vice Captain for 2010, I have indicated that I would particularly like to support extra equipment for terminally ill children in the paediatric palliative care department.

There will be a newsletter each month to keep everyone up to date with the event.

Future articles will include:

- The equipment we hope to buy
- Details of the fundraising
- “Car Park Space Draw”
- Donate a tube of balls!
- The Social Event
- The Big Auction

How can you help to make a difference?

- Sponsor a hole (minimum £150 including 4 green fees)
- Donate something which could be raffled, auctioned or given as a prize (no matter how small)
- Help in running the event (e.g. setting up before hand, helping with fund raising activities on the day itself)
- Support both the golf day and also the social event in the evening

Stop press- a great start!

The following sponsors for Holes have been confirmed:

- SWM Consulting
- Marchant Electricals
- Maxwells Chartered Accountants
- Normandy Windows
- Barry and Jackie Woodman
- Maggie Reeve
- Prezents.com
- Lloyd and Whyte Insurers
